Dear Parents,

We are pleased to introduce a cold weather special day dress option for girls in all grades. This option is available locally at Sandra Jean Uniforms, which will make it convenient for trying on sizes. Due to the number of students purchasing these garments, you may not want to delay your purchase. While Sandra Jean Uniforms will be able to order more of the garments, you may want your student ready for the first cool day! Below is a description of the new cold weather special day dress option:

**Logic/Rhetoric Young Ladies**

Cherokee pant in solid navy - \$16.95 (Logo required)

Long sleeve white oxford (CH580W) - \$31.95 (Logo required)

Blueberry Cardigan Sweater in heather gray - \$23.00 (Logo required)

In addition, Sandra Jean Uniforms is offering a kick pleat or box pleat skirt which would be allowed to be worn with the Lands End jewel neck sweater for special day dress. These skirts will be available in half sizes.

**Grammar School Girls**

Cherokee pant in solid navy - \$16.95 (Logo required)

Long sleeve white peter pan collar blouse (Logo required)

Blueberry Cardigan Sweater in red- \$23.00 (Logo required)

In addition, Sandra Jean Uniforms is offering a plaid skirt which would be allowed to be worn for special day dress in the grammar school.

Please note that if your student chooses this option, Sandra Jean Uniforms will place the required school logo discreetly on the pant and shirt. The required school logo will also be on the front of the cardigan sweater. There is a small fee for the embroidery on the shirt and the cardigan. Please be aware that Sandra Jean Uniforms is the only vendor allowed for this special day dress option.

This option is not a requirement to purchase. It is an alternative for the colder months for our students.

Thank you,  
Kathy Compton
