"In Christ are hidden all the treasures of wisdom and knowledge"

February 22, 2010

Dear Friends,

Recently, the Providence family lost a dear friend with the death of our sister in Christ and school librarian, Martha Burnham.

The school was truly honored by the Burnham family's request that the entire PCS staff serve as Honorary Pallbearers. I believe that highlights the relationships that Martha had built in her time here at the school with parents, faculty, and students.

Martha was one of the most caring and giving individuals I have ever known and took advantage of every opportunity to demonstrate that by putting aside her daily plans and agenda to meet the needs of a staff member or a student. 'Her time was your time' every time you went to see her.

She was special to everyone who ever had the pleasure of working with her on a daily basis.

Many of her former colleagues from Northview were present at the funeral and expressed interest in doing something to honor Martha's memory through a source that was very dear to her – libraries.

At their request, we have established a dedicated account, "The Martha Burnham Memorial PCS Library Fund," through which donations may be made that not only honor her memory, but benefit an area very dear to her heart. All funds donated to this account will be used in the Providence Library.

The school and the Burnham family thank you for giving this your consideration.

In His service,
Emory Latta
