

PROVIDENCE CHRISTIAN SCHOOL TUITION POLICY

Students are enrolled until graduation and the parent or guardian is responsible for the annual tuition payment each year on June 1. Three payment plan options are available through RenWeb/FACTS Tuition Management Company. Plans are automatically renewed each year the student is enrolled. An annual enrollment fee is required to maintain the student's continuous enrollment (refundable only if a student is denied admission by the school or placed in a waiting pool).

Tuition refunds will be made only if the family is moving out of the area (50+ miles). For withdrawals between June 1 and August 1 tuition refunds will be prorated based on the withdrawal date.

Families enrolling during the current school year will pay prorated tuition based on the number of days in school.

The school reserves the right to deny a student's attendance for payments more than thirty (30) days delinquent. **Payment plans must be maintained in active status or student attendance will be affected.** School records and transcripts will not be released for any students enrolled under this contract until the account is paid in full.
