

PROVIDENCE CHRISTIAN SCHOOL
TUITION POLICY

2025-2026 OVERVIEW

Providence Christian School (PCS) operates on a tuition-driven budget. Tuition rates are set annually after careful consideration and planning and are announced in January when enrollment opens for the upcoming school year. **The parent or guardian is responsible for the full tuition amount each year.**

PAYMENTS

Either an annual payment plan or a monthly payment plan is available through FACTS Tuition Management Company. The family will be responsible for paying for the agreed-upon twelve-month tuition period, whether paid annually or monthly. You may contact the financial office to change your tuition payment plan.

A non-refundable **Annual Tuition Deposit of \$200** is required on *March 14th* as a part of maintaining an existing student's continuous enrollment. This deposit is included in the annual tuition rate. This payment will be automatically drafted from the payment method set up with FACTS. Please take a few minutes to update your financial and personal information on FACTS prior to this draft.

FEES & DISCOUNTS

- New students applying for enrollment at PCS will be responsible for a **\$230 New Student Application Fee**. This fee is refundable only if a student is denied admission by the school or placed in a waiting pool. No application fee is required for Providence Early Education kindergarten students enrolling in first grade at PCS.
- Each PCS family is responsible for paying an annual **Construction/Maintenance Fee of \$1,000.00**, which may be paid annually or monthly.
- Those paying full tuition annually in June will be eligible for an **Annual Tuition Payment Discount of \$300 per student**. Each family with more than one student at PCS will receive a **Multi-Student Tuition Discount of \$600 per additional student**.
- Discounts do not extend to siblings enrolled at Providence Early Childhood.

CONTINUOUS ENROLLMENT

Current students are continuously enrolled for the 2025-2026 school year as long as both the student and family remain in good standing and the Tuition Agreement is signed by the February 12th due date. Those students who will knowingly not be returning for the upcoming school year will need to opt out of continuous enrollment by submitting an Opt-Out Form to the main office by *February 12th*.

WITHDRAWALS/REFUNDS

All fees are non-refundable. In the case of a student withdrawing from PCS, tuition refunds and/or waivers of financial responsibility will be made only if the family is moving out of the area (50+ miles), or if there is a substantial loss of income.

MID-YEAR ENROLLMENT

Families enrolling during the current school year will pay prorated tuition based on the number of days remaining in the school year and will be responsible for paying the \$230 application fee. These students are eligible for a prorated Multi-Student Discount, if the circumstances apply, but will not be eligible for an Annual Discount.

DELINQUENCIES

The school reserves the right to deny a student's attendance for payments more than thirty (30) days delinquent. Financial Accounts for payment plans must be maintained in active status or student attendance will be affected. School records and transcripts will not be released for any students enrolled under this agreement until the account is paid in full. Balances owed to PCS may be viewed on the FACTS Financial account website available at www.factsmgt.com. Past due status may also be communicated via phone call, email, or letter.
