

Providence Early Childhood Special Dates 2022-23

Please note that we welcome parents to the events indicated in blue. We understand that you may not be able to visit for all events, and due to limited space in the classrooms, we ask that only mom and/or dad attend the parties noted below, but we would love to have you join us! A grandparent may attend if neither parent is able. Our Christmas and Spring music programs in the sanctuary are open to all.

Thanks so much for all you do to make our year special!
