

Providence Early Childhood Special Dates 2023-24

Please note that **we welcome parents to the events indicated in blue**. We understand that you may not be able to visit for all events, and due to limited space in the classrooms, we ask that only mom *and/or* dad attend the parties noted below, but we would love to have you join us! A grandparent may attend if neither parent is able. **Our Christmas and Spring music programs in the sanctuary are open to all.**

Thanks so much for all you do to make our year special!
