# ABOUT US

## We are Providence

Head of School - Emory Latta

Development Director - Cliff Carter

Board of Directors Chairman - Marshall Crim

“Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect.”

*Romans* 12:2 ESV

As an accredited classical Christian school, we value Truth, beauty, and goodness in all of life. By God's grace we are striving to be a school that impacts the entire family and encourages each student to become all that God calls him to be. **The foundational purpose of all educational programs at PEC and PCS is to develop students who become life-long learners by developing transformational learning skills in and out of the classroom to prepare them for responsible Christian living in a complex world.**

### Courses Eligible for Dual Enrollment (for 2021-22 school year):

Humanities (including English 101/102 and History 101/102), and Pre-Calculus with Trigonometry MA113, gives all students the opportunity to have 5 college courses completed at the end of their high school tenure. The PCS curriculum in Rhetoric school features accelerated courses in Geometry, Algebra II, Pre-Calculus with Trigonometry, Calculus, and Physics. Students complete Latin coursework in Grammar and Logic school.

## 12 A Living Sacrifice ABOUT US • STRATEGIC OBJECTIVES

I appeal to you therefore, brothers, by the mercies of God, to present your bodies as a living sacrifice, holy and acceptable to God, which is your spiritual worship.

**2** Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect.

## Gifts of Grace PCS FINANCIALS • PCS CO-CURRICULARS: ATHLETICS & FINE ARTS

**3** For by the grace given to me I say to everyone among you not to think of himself more highly than he ought to think, but to think with sober judgment, each according to the measure of faith that God has assigned. **4** For as in one body we have many members, and the members do not all have the same function, **5** so we, though many, are one body in Christ, and individually members one of another. **6** Having gifts that differ according to the grace given to us, let us use them: if prophecy, in proportion to our faith; **7** if service, in our serving; the one who teaches, in his teaching; **8** the one who exhorts, in his exhortation; the one who contributes, in generosity; the one who leads, with zeal; the one who does acts of mercy, with cheerfulness.

## Marks of the True Christian

PROVIDENCE EARLY CHILDHOOD & ALUMNI • PCS GRAMMAR SCHOOL • PCS LOGIC SCHOOL • PCS RHETORIC SCHOOL

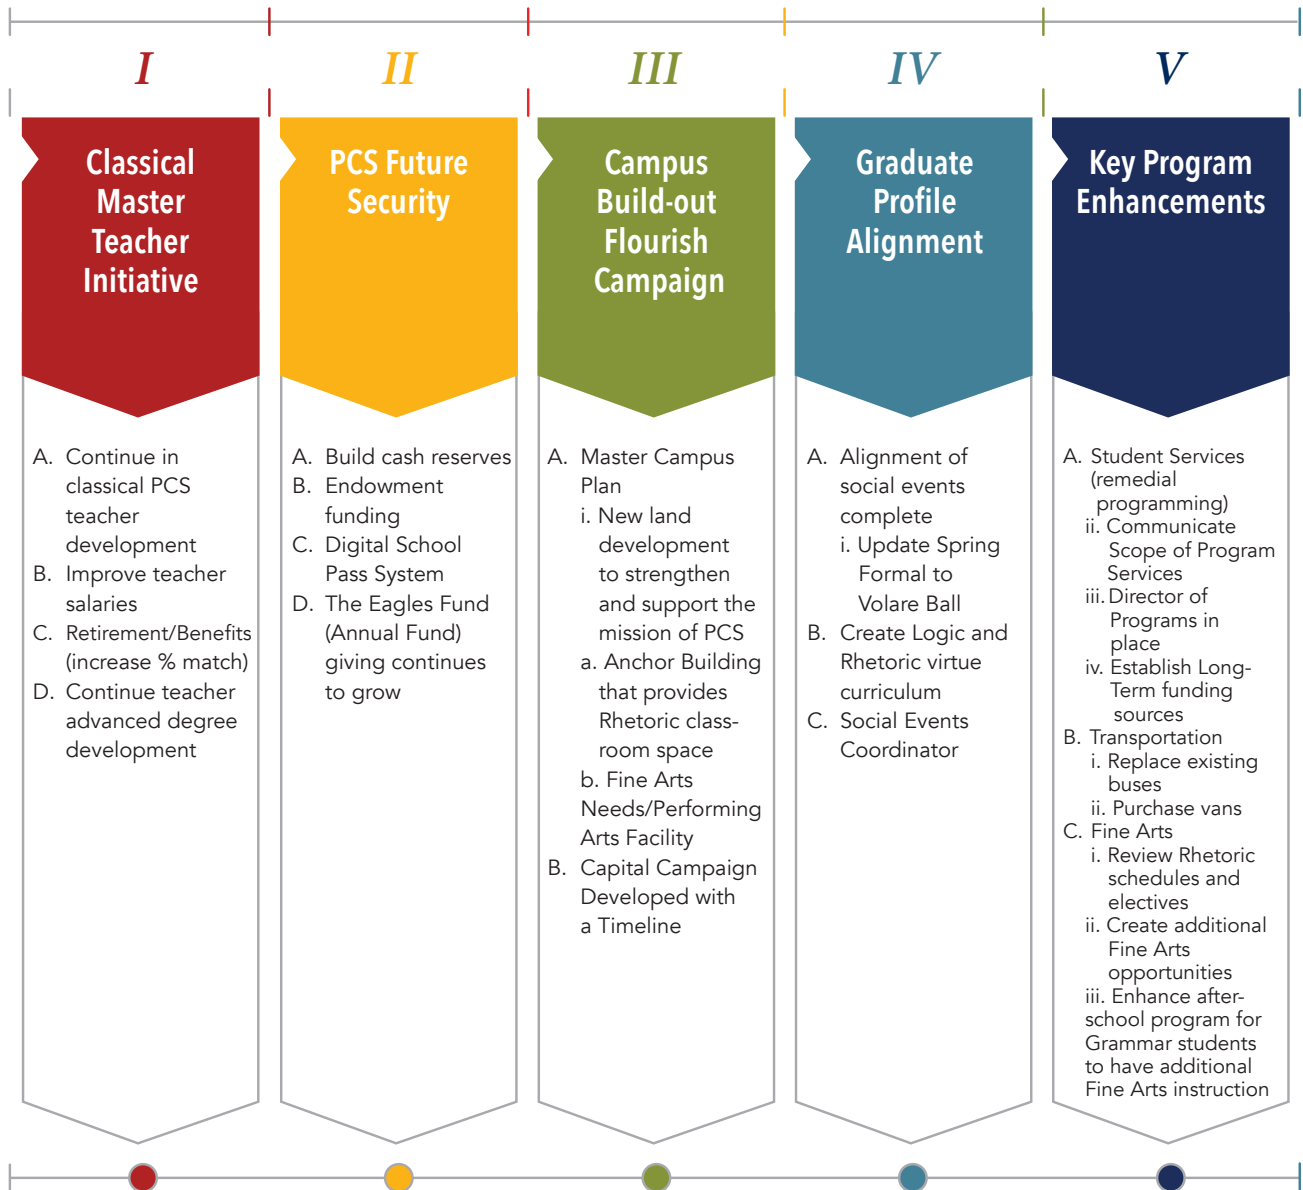

**9** Let love be genuine. Abhor what is evil; hold fast to what is good. **10** Love one another with brotherly affection. Outdo one another in showing honor. **11** Do not be slothful in zeal, be fervent in spirit, serve the Lord. **12** Rejoice in hope, be patient in tribulation, be constant in prayer. **13** Contribute to the needs of the saints and seek to show hospitality. **14** Bless those who persecute you; bless and do not curse them. **15** Rejoice with those who rejoice, weep with those who weep. **16** Live in harmony with one another. Do not be haughty, but associate with the lowly. Never be wise in your own sight. **17** Repay no one evil for evil, but give thought to do what is honorable in the sight of all. **18** If possible, so far as it depends on you, live peaceably with all. **19** Beloved, never avenge yourselves, but leave it to the wrath of God, for it is written, "Vengeance is mine, I will repay, says the Lord." **20** To the contrary, "if your enemy is hungry, feed him; if he is thirsty, give him something to drink; for by so doing you will heap burning coals on his head." **21** Do not be overcome by evil, but overcome evil with good.

# PROVIDENCE CHRISTIAN SCHOOL STRATEGIC OBJECTIVES

## A LIVING SACRIFICE

### Vision:

Since 1973, First Presbyterian Church has partnered with parents in the Wiregrass to provide a distinct education for students through Providence Early Childhood Ministries and Providence Christian School. We continue to be faithful to our school mission which instills the desire to be a servant-leader and a life-long learner while advancing our organizational priorities. Our strategic plan serves as a guide for future growth and academic excellence at PCS and PEC through a Christ-centered approach to learning.

### PCS STRATEGIC PLAN

Through these strategic objectives, PCS will strengthen mission delivery to our current families, while also opening new doors that allow us to minister to families who have yet to discover PCS.

### Our strategic plan supports the three foundational principles of our mission to:

1. Promote principled thinking by developing a biblical worldview.
2. Cultivate a lifelong love of learning.
3. Train and equip each student to be a servant-leader.

# Flourish *:to grow or develop in a healthy way, especially as the result of a particularly favorable environment*

Effective fundraising is essential for our school to flourish. Our strategic plan for fundraising at Providence Christian School supports our ministry needs and mission of the school. Your giving helps provide an exceptional academic experience in a Christ-centered environment. We welcome donations of cash, stock, property, and other assets.

## Eagles Fund (Annual Fund)

- Fills in the gap that tuition does not cover toward the general operating fund of PCS in the areas of professional development, financial aid, facilities, diversity, and co-curricular priorities
- Enhances the school's resources and helps ensure that our students have exceptional opportunities in the areas of academics, athletics, and the arts

## Flourish (Capital Campaign)

- Begin sitework and infrastructure for buildings on the east side of campus
- Support the growth of the school by updating our campus with additional buildings and resources for:
  - i. Anchor building that includes space for:
    1. Rhetoric classroom space, Logic/Rhetoric library, and state-of-the-art labs for science and math
    2. Fine Arts space for performances, practices, and classrooms for art, music, band, and theatre
  - ii. Providence Early Childhood Ministries (childcare and preschool)
  - iii. Updated/relocated playground for lower school children
  - iv. Student Services program to help PCS become more accessible to the educational needs of our local community
  - v. Co-Curricular facilities that include a spring sport field house, tennis courts, indoor and outdoor multi-purpose practice spaces, and an on-site track with a practice field

# ATHLETICS

Athletic Director - Bill Oldfield

“For as in one body we have many members, and the members do not all have the same function, so we, though many, are one body in Christ, and individually members one of another. Having gifts that differ according to the grace given to us, let us use them.” *Romans* 12:4-6 ESV

As a Christian school, we desire for our athletic program to encourage our students to play and compete in a manner that is distinctively Christian. In his book, *In the Arena*, David Prince comments:

***“Sports do not build character; they dramatically expose character and provide Christian parents and coaches with valuable opportunities to develop character.”***

## 2022 Team Accomplishments:

**PCS Baseball** received the Southeast Alabama Umpires Association Sportsmanship Award

## PCS Boys and Girls Cross Country Teams

# GRAMMAR SCHOOL GRADES 1-6

Grammar School Principal - Darlene Jones

293  
GRAMMAR  
STUDENTS

17 *grammar  
teachers*

As we train our students' affections, we seek to promote a peaceful, home-like environment in which the learner feels invited to participate in learning and is encouraged to seek the beauty of our Creator first.

The foyer of our grammar building speaks to what we value, love, and celebrate by featuring the five Solas, Sola Gratia (through grace alone), Sola Fide (in faith alone), Solus Christus (through Christ alone), Sola Scriptura (through Scripture alone), and Soli Deo Gloria (for the glory of God alone.) We are ordering a child's affections to something higher than themselves.

## Grammar Teaching Methods:

- Learning through multi-sensory work to connect students as learners created by a multi-dimensional God
- Memorizing through songs, chants, and sound-offs, writing and performing skits, reading autobiographies, and dressing in costumes representing a literary character or historical figure
- Exploring historical events, culture, and God's provision through a linear timeline approach
- Gaining the knowledge and tools to understand the character of God in science and math
- Experiencing enrichment opportunities outside the classroom: art, music, P.E., Latin, Assembly, field trips, the Science Fair, and Spelling Bee competitions

## Key Program Enhancements

- Student Learning Services programming to help PCS become more accessible to the educational needs of our current school families

Cole Harrison  
Spelling Bee Winner

## Volunteers

PCS welcomed volunteers as guest readers in the classroom to share with students about how their professional work glorifies God. We also have volunteer opportunities to serve in The Gathering Place, Moms in Prayer, and Dads on Duty.

## HOUSE

In 2015, Providence implemented a House System for the purpose of providing the students an opportunity for mentorship, leadership, service projects, and intramural competitions. Students are inducted into a House in the seventh grade. Over the past six years, the House System has developed a strong student leadership council and provided a means for students to encourage others at PCS and the Wiregrass community.

## LOGIC SCHOOL GRADES 7-8

Logic School Principal - Kathy Compton

### Logic Teaching Methods:

- Science: The development and testing of hypotheses, formal logic, debates, and persuasive reports
- Math: Evaluate and critique (with guidelines), logically orient numbers through the more abstract concepts of algebra and trigonometry
- Humanities (Bible, Literature, History): time lines, charts, maps, collaborative work in groups, oral/written presentations
- Latin: In seventh grade, students continue vocabulary and derivative acquisition and in eighth grade students gain understanding in advanced use of grammar skills while also reading and construing passages both written and oral.

### Logic School Highlights:

- 7th Grade field trip to Biblical History Center in LaGrange, Ga
- 8th Grade Monk Day

“Rejoice in hope, be patient in tribulation, be constant in prayer. Contribute to the needs of the saints and seek to show hospitality.”

“Bless those who persecute you; bless and do not curse them. Rejoice with those who rejoice, weep with those who weep. Live in harmony with one another. Do not be haughty, but associate with the lowly. Never be wise in your own sight. Repay no one evil for evil, but give thought to do what is honorable in the sight of all. Do not be overcome by evil, but overcome evil with good.”

CLASSICAL CHRISTIAN SCHOOLS

## Transformed

Education is transformational. In all its levels, programs, and teaching, PCS strives to be Christ-centered and classical. Providence Christian School exists to impart the wisdom of Romans 12—to transform students to love God with heart, soul, and mind and use their gifts for the glory of God (Soli Deo Gloria).

*Join us on this transformative journey of equipping students to follow Christ and change the world.*
